**VODAFONE YU  
NEW TALENT**

Always open to talent

**Yuser! Success is around the corner! Would you like to complete your professional training by working in a top multinational company? Now it's possible with Vodafone's New Talent Internships.**

### **What do we offer?**

- The opportunity to start your career forming part of our team.
- You'll learn on the job and develop your skills by exercising a role of responsibility in several projects. You'll receive on-going feedback from your mentor and work side by side with top professionals and much, much more.
- Vodafone Master in Digital Business: You can enroll in the Vodafone Master in Digital Business offered by the Kuhnle Business School, approved by the UCM with a faculty comprised of Vodafone professionals and the business school's own professors.
- A competitive compensation package, meaning you can announce that you're really earning your first salary.
- What's more, you'll form part of an extensive social and professional network of fellow interns

### **What are we looking for?**

Women and men with enthusiasm, ambition, and eager to put their knowledge into practice.

- You need to be in the final year of your Bachelor's or Master's degree (enrolled in the 2016/2017 academic year).
- A strong academic record and a high level of English (C1-C2).
- Be available for the internship from 9:00 am to 2:00 pm (5 hours a day), from November 2016 to July 2017 (9 months).

### **What profiles are we searching for in each of the areas?**

**Product, Marketing and Sales:** Computer Science, Marketing, Telecommunications, Business Administration and Management, Industrial Engineering, Sociology, Law, Market Research and Techniques, Statistics, Advertising and Public Relations, Economics, etc.

**End-to-end Customer Management:** Business Administration and Management, Industrial Engineering, Telecommunications, Computer Science, Statistics, Social Sciences and Legal Studies, Economics, Market Research and Techniques, Statistics, etc.
