Company description :

EUROCONTROL, the European Organisation for the Safety of Air Navigation, is an intergovernmental Organisation with 41 Member States, committed to building, together with its partners, a Single European Sky that will deliver the air traffic management performance required for the 21st century and beyond. We help our Member States to run safe, efficient and environmentally-friendly air traffic operations.

Job description :

We have opportunities in Brussels and Luxembourg

- for the Institute of Air Navigation Services to support the Air Traffic controllers selection tool and the e-learning trainings (design of courses, multimedia)
- in our Corporate communication department for web design, social medias.

Required profile :

We are looking for profiles in psychology and in communication (digital, video, web design) with the following skills :

- * Good communication with excellent interpersonal skills.
- * Creative and solution-oriented.
- * The working languages of the Agency are English and French. For this particular post, candidates must have an excellent command of English and a working knowledge of French.
