Internship Product Management - Spanish language skills (100579)

On behalf of a client we are looking for an intern (m/f) in Product Management who speaks Spanish fluently. Our client is a young international-oriented company located in the heart of Hamburg. The company is a fast growing internet startup, specialized in comparing car rentals. This start-up is about to expand internationally and therefore we invite you to become a part of an exciting multinational team.

Your tasks:

- Working with the Content Management System (CMS)
- Enlarging the product portfolio
- Being responsible for updating the content of the website
- Translating texts
- Support daily online marketing tasks
- General market research

Your profile:

- Student/recent graduate of economics or another relevant subject
- You speak Spanish fluently with a good understanding of German and/or English
- Interest in new online trends and proficient in handling MS-office software
- You are ambitious, highly motivated, flexible and responsible

Our client offers:

- A workplace in the city centre of Hamburg
- A nice working atmosphere in a highly motivated multinational team
- A full-time 4 to 6 months internship
- Remuneration: 500 EUR / 700 EUR (month 1-3 500 EUR / 4-6 700 EUR)

Start: as soon as possible
Type: full-time internship
Location: Hamburg

Be part of this team! We are looking forward to receiving your application by email to jobs@careerteam.de. Please state the reference number 100579. Your contact person is Nina Tosin.
